On the left side of the table, there's a 'PROSES DATA' section with a 'Tambah' button (highlighted with a red arrow) and a 'Hapus (0)' button. Below this is a 'FILTER DATA' section with a search bar for 'Nama, Email', a 'Created' dropdown, a 'Desc' dropdown, a '10' dropdown, and a 'Hak Akses' dropdown set to 'Semua'.

- EDIT DATA (Tekan tombol edit pada data yang ingin diubah)

The screenshot shows the 'Data User' management interface. On the left, under 'PROSES DATA', there are buttons for 'Tambah' (Add) and 'Hapus (0)' (Delete). Below these are 'FILTER DATA' options: a search bar for 'Nama, Email', a 'Created' date range selector, a 'Desc' sort order dropdown, a '10' items per page selector, and a 'Hak Akses' dropdown set to 'Semua'. The main table lists users with columns: No, Nama, Username, Email, Status, and Aksi. The user 'Admin' (No. 14) is highlighted, and the 'Ubah' (Edit) button in the 'Aksi' column is pointed to by a green arrow. The table shows 11 of 14 results.

- HAPUS DATA (centang checkbox sesuai kebutuhan -> button hapus)

The screenshot shows the 'Data User' management interface. The 'Hapus (3)' button is highlighted with a red arrow. The 'FILTER DATA' section is the same as in the previous screenshot. The main table lists users with columns: No, Nama, Username, Email, Status, and Aksi. The checkboxes in the first column are checked for rows 1, 4, and 6, indicating they are selected for deletion. The table shows 8 results.

- PENCARIAN (filter data sesuai yang ada pada kotak merah)

The screenshot shows the 'Data User' management interface. The 'FILTER DATA' section is highlighted with a red box, indicating the search criteria. The 'Hapus (0)' button is visible. The main table lists users with columns: No, Nama, Username, Email, Status, and Aksi. The table shows 7 results.
